“ I will always remember Brenda’s laughter, how easily it came to her and how it elevated the mood of the room. We met in middle school in 1978 - Miss Bearss’ music class - and began A friendship that lasted for decades. We had some great times together in New York City, making the journey to see David Letterman after he moved to CBS, which was a total blast. Over the years we shared lots of laughs, dinners, and evening swims at her parents’ motel in Lake George.

The world is a little less bright without Brenda now, and I send my deepest condolences to her Mother & Brother.

“ My condolences to Brenda's family. I am so sorry for your difficult loss. Brenda and I had some classes together in high school. She was such a kind person, and always made me laugh with her dry sense of humor. Like so many QHS alum, we lost track of each other after graduation, but I never forgot her. Peace to you BR, and to your family. *Diana Scarselletta Straut*

I have so many memories of Brenda growing up. We visited her often and shared great family times. I am forever grateful for my aunt Jenny and uncle Joe and cousins Brenda and Paul for welcoming us into their home. Brenda had a great sense of humor and her laugh was contagious. I can still hear her laugh if I close my eyes and remember. She will be missed. I look forward to the day when we will all be together again in heaven.

Warm embraces to the whole family. ❤️😭🙏

Our Deepest Condolences to Jenny, Paul, Renee, and the entire Rodriguez family, and a Special warm embrace to Brenda's husband; Anthony LaRosa! Brenda is with "GOD" now. She is in the company of Christ and the entire Rodriguez family that has past on before her. Ten years ago; my Millie also past on, at the same age of 57. The family is up in Heaven, still having family gatherings. I could still hear Millie laughing! I hope to one day be in the house of GOD in the presence of Christ, along with all my love ones. Brenda rest in peace! May God Bless you!
