“ We were never close but you were always accepting of me, no questions asked. I'm not sure what else to say except that if there is a journey after this world, you find it to the end that you deserve. So long my friend.

“ Bryan was a sweet, kind hearted man who always stepped in to help others. One heavy snow storm the snow was to deep for me to snow blow. Bryan was there to the rescue so I could get my car out of the driveway. The man had a heart of gold and loved those kids and Nicki with more passion then I have ever seen. He touched many hearts and will never be forgotten. A true gentleman for sure.

“ I remember when Bryan Jr was a little boy about 2 he would call us up and grandma I'm coming to spend the night. If I said he couldn't because grandpa was working nights he'd say yes I can. I miss those days so much.
