“ *Larry and I are so sorry we were not able to attend the services this Monday. We were there in spirit. We were shocked and deeply saddened to hear about Eddie's passing. We will always remember the good times we shared. Cookouts in the backyard at Mason Street with all our kids driving us crazy. Game nights, darts and Donnybrook Fair at the Parting Glass, the block party on Raymond Ave. Eddie had a great sense of humor. We will miss the laughs we shared. Our hearts go out to Melissa and Stephan, and all his family. Our thoughts are with you all at this time of grief.*

May Queensbury and Hadley , etc road rails prevent anything like this, happening again. May Eddie's life be remembered, as changes are made in roadway construction safety.

Blessings to all who knew him, and to the future for safer days.

“ *I would like to offer my sincere condolences to Ed's family. I worked in the Bakery for many years with him especially in the Artisian Bread section. He always had a kind smile for everyone he met and made sure to say hello to all of his customers. I will always remember him as being very dedicated to his job as he was one of the best bakers that they had. I will miss you Ed, until we meet again, God Bless you always. Colleen*

“ Condolences to Ed's whole family.
I knew Ed only through my big brother Doug Povie's friendship him through the years, but knew him as a kind and friendly gent with a great sense of humor. I first heard the Cats in the Cellar back at our old house on West Mtn Rd in Queensbury, in the early 80's - where the Cats would play in the big red barn back in the field there.
Fond memories all, as are the brief and infrequent chats at the bakery.
Glad I knew you, Ed!

“ To the family of Ed, I am so sorry to hear of his passing. The loss of a loved one in such a tragic way leaves an enormous void that can only be filled with his memory and shared stories of his life.
Ed was an usher in our wedding in 1974. We were all so young then!
My husband, Paul Trombley, worked with Ed at North Country Janitorial and their friendship was very important to Paul. I am sure Paul was ready to greet his old friend on the other side of the Pearly Gates as they were reunited in Heaven.
Please know that you all will be in my prayers, and I wish you all happy memories at this difficult time.
In thoughtful prayer,
Cindy Trombley

“ So sorry to hear about Ed. Always had great conversations with him at Price Chopper about how frustrated we were as Giants fans. We had a special connection since we were classmates of his brother Dave, who was lost way too soon. Hope the great memories of him will carry you through this difficult time. We'll miss his friendly ways!
