“ Condolences to the Ravalli and Futia families on the loss of your dear Mary. We have fond memories of the Sofia family visiting the Ravalli family and occasions when the Ravalli family would visit the Sofia family. We will always remember your kindness, generosity, all the hugs and kisses but most of all the laughter. May your special memories of Mary comfort and console you through this difficult time. Mary was a sweet, kind, loving daughter, sister and friend. God's Blessing to all. With much love,
The Sofia Family
