“ Rick delivered beer, laughs, and plenty of 'bull' to our little store in Luzerne. Always helpful, as Steve M. mentioned - He was the best delivery man we had - no offense to the other good guys! I knew Rick since the 1970's - he was delivering for Northern, and I was selling beer for A.J. Farone , we often ran into one another at Eddie's Grocery outside of Hudson Falls. Yes, we were both old-timers. I can't believe Rick worked so hard for so long. Delivering beer can be HARD work - sometimes a thankless task.

Rick was one tough cookie, for sure, and always fun and cheerful.

I could go on and on, but suffice to say my wife and I will miss him. We extend our heartfelt condolences to Rick's wife and family.

“ Rick delivered beer to our store. If there was breakage or something missing, you would tell Rick, and by next week's delivery, he would have it on his truck. If you went through the salesman, you would have to remember to tell the salesman at least 3 different times, and it would take at least a month. Rick was hard working and honest, and a pleasure to be around. We dealt with a lot of salesman and delivery men over the years, and I think Rick was my favorite. He will be missed, it is so sad that he went so young.

“ Rick, our "Bud Man" was the best! We always looked forward to his deliveries because not only was he very fast and efficient, they also came with great stories, good advice, and many laughs. We have missed him so much on the northern route since he switched to a different one. Our thoughts and prayers are with his family at this sad time.
